

IS YOUR CHILD READY FOR KINDERGARTEN OR MAYBE IN NEED OF A REPEAT?

Keller Child and Family Therapy is now offering Kindergarten readiness assessments!

What is it?

Kindergarten readiness refers to a child's preparedness to enter and thrive in a kindergarten classroom environment. It encompasses a range of developmental, social, emotional, cognitive, and physical skills that are essential for success in school.

What We Offer

- Comprehensive assessment of your child's readiness for kindergarten
 - Gesell Developmental Observation-Revised (GDO-R)
 - Variety of Behavioral and Emotional questionnaires
- Insights into your child's strengths and areas for growth
- Tips and strategies to support your child's development at home
- Fun and engaging activities to help your child prepare for school
- Resources and recommendations for further learning opportunities

LET'S ENSURE YOUR CHILD STARTS KINDERGARTEN WITH CONFIDENCE AND ENTHUSIASM!
